Dodge to Boost Victory Output

Production schedules for the new Victory Six recently announced by Dodge Brothers are to be materially increased according to John R. Lee, general sales manager to make possible prompt filling of the telegraphic orders which are being received from dealers in constantly increasing volume.

"Factory production and scheduled allotments for shipment to dealers during the first three months of 1928," Mr. Lee said, "were planned in expectation of a very generous demand for the new car, with its advanced engineering features, but the wires asking for immediate shipment and for increased allotments indicate that by the end of January a decided enlargement of our production plans must be completed so that all purchasers of the new Victory Six may be sure of prompt deliveries. Dodge Brothers immense manufacturing facilities, and orders which have been placed for raw materials, however, are such that it is possible to increase output of this popular type to such volume as will insure cars for buyers without any long delay."

Mr. and Mrs. J. O. Stalcup and Mr. and Mrs. A. F. Welton attended the meeting of the Nonpareil Club held recently at the home of Mr. and Mrs. Henry Ursey of Long Beach.

Originality Features These Unique Homes

Copyright, 1925, Pioneer Paper Company.

Because of price fluctuations and varying conditions in different localities, it is impractical to set an inflexible figure on the cost of constructing the house pictured above. However, the Pioneer Paper Co., Los Angeles, Calif., will furnish an accurate estimate of the cost on request. Please refer to Plan No. 31. Designed by Sydney W. Livingston.

ORIGINALITY distinguishes this delightfully different little home and, in its quiet, unified simplicity, there is also real economy. The interior is attractive and comfortable and the tower and beautifully proportioned roof give the exterior a strong appeal.

A splendidly planned little English home that can be built at very moderate cost. A well arranged kitchen, large living room and privacy yet convenience for bedrooms and bath, make it very desirable. A color scheme of white, cream or gray for the body of the house, light trim and dark sash and a variegated roof would provide an exterior beauty that would blend with the color beauties of garden and sky.
